Having a clean and consistent way to communicate with your dog to tell them when they are correct is KEY in dog training. Markers are a way for us to deliver that information to our dogs! In this two hour workshop, we will discuss what markers are and how to use them, the importance of why we need markers when we train dogs, why the timing of the marker is critical, why having more than one marker is important, and how reinforcement comes into play with markers!

Working spots should come with a variety of treats as well as any favorite toys.

No dogs with any propensities with aggression towards people and/or dogs will be allowed.
